The high percentage of periodicals covering children's books is significant, considering that most were literary reviews or magazines oriented to a general adult readership. If you think rhyme will make it more playful or fun or engaging, without giving you a migraine, by all means, give it a shot.

Learnmoreatwww. Her vibrant colors and sweet faced animals are appealing to kids and adults alike. The steam locomotive telescoped distances for travelers, making it possible, for instance, for Lewis Carroll to make the sixty-mile journey from Oxford to London any time he wished for a weekend of theater-going; Carroll was riding the rails when the chapter titles for his first Alice book came to. My mother actually saved most of my earliest childhood writings.
