Historically, Punch was most influential in the s and s. The king refuses to face the truth, but his overlooked second son, Dion, can see the signs: strange warships A common misconception is the idea that the Victorians invented childhood.

Although the Victorians were known for their restraint and prim demeanor, th Like many other great illustrators to follow, Crane operated within many different mediums; a lifelong disciple of William Morris and a member of the Arts and Crafts Movement, he designed all manner of objects including wallpaper, furniture, ceramic ware and even whole interiors. The period lasted from

the s until shortly after World War I although the active career of several later "golden age" illustrators went on for another few decades.

No, you probably don't, because those portraits were never very popular. The Service If you have questions: Email: pw pubservice.
