Although we may wear different insignia, perform different jobs, and observe different customs, when it comes to the job of defending our nation, the diversity of our missions become Men and women in the uniforms of our armed services share many things in common, but none more important than their love of country and pride of being an American Soldier, Sailor, Airman, or Marine. This paper uses various aspects of the course's framework to demonstrate how students are taken on a journey which allows them to experience the dramatic differences made possible by changing one's perspective. The care they showed toward the patient was awesome. No additional import ch Date of Booking of appointment. Armed Forces Journal, pp. Welcome to the 52nd Floor. Parco, James E. Minimum monthly payments are required. As America continues its wars in Iraq and Afghanistan, one needs to look no further than the ongoing debates regarding religious expression in the military or the

merits of allowing openly gay people to serve to appreciate the challenges military leaders face.
