Well done! Desert-based principles similarly emphasize the
moral roles of responsibility and luck but are distinct
because they approach these factors through claims about what
people deserve because of their work. *Libertarian Principles*

himself to Christ the Redeemer, man perceives himself as a
creature willed by God and eternally chosen by him, called to
grace and glory in all the fullness of the mystery in which he
has become a sharer in Jesus Christ [69]. A contrast in styles
could be seen in the work and careers of three Australian

female factory inspectors—Agnes Milne, Margaret Cuthbertson and Annie Duncan—all of whom worked as factory inspectors when the position was in its infancy.
