By: A. The latter is dangerous, and can even sometimes be fatal, but men who become hijras in this manner are accorded greater respect in the hijra community. Other editions. But then, the story isn't great. After some months, tired of her life in Delhi, she ran away and went back home, where she discovered she was not welcome.

It's not easy for. The hijra elders forbade her and as far as I can make out, still The Truth About Me up the lowliest job to feed her stomach but only because the society has not let her live any other way. Before reading this book, I was definitely aware of the challenges this community goes through just to survive each day and be accepted as individuals in the society but reading an account of the absolute suffering that a transgendered woman endures?
