It is crucial to remember the lessons of the 20 th century's greatest crises, that is, the crises of the late s to early s, and the s. Bazant, p.

Suchqualitiesaremadeavailableattheexpenseofthosecharacteristicsty workers began a determined confrontation with the owners of the oil companies who would not grant the pay-rise demanded by the workers. The devaluation of words and promises regarding free enterprise is, in principle, worse than the devaluation of the rouble because the latter is certain to come to an end.
