You can write about "The Real World" for as long as you want, but unless you do something really, really different and special with it, I'm going to have a hard time keeping up with you. So too, Mr. Maybe I just want to feel like Sullivan really reacts to anything around him his brother being electrocuted to death, seeing with his own eyes secret Native American cave art from hundreds of years ago, his home being used as a television set instead of sleeping his way through it all, or at least through the retelling.
