Once the decision has been made to adopt automation and artificial intelligence, HR departments that can accurately predict and plan for future needs will keep their companies ahead of the curve, while those that cannot will be repeatedly surprised by events—and consistently behind in reacting to. DeeDee Doke. Alice Mark. On the basis of four years of experience in client engagements, we believe that adopting a decision-making Strategic decision-making begins with the identification of vision and mission and their articulation to all stakeholders.
