Award-winning editor and book doctor with 30 years experience in the romance industry. Can she fit in, when the world is ruled by men? In this entertaining story rich with tongue-in-cheek humor and clever twists, a witty art lover battling a tarnished past races to solve a string of high-profile art thefts in the Pacific Northwest. Toobadnooneelse recognizes my first stone! And just when I thought I was over hi It was one of the first romance novels I ever owned and one I go back to and reread every now and then! Regardless, the once-modern-now-stuck-in-the-past-heroine falls in love with two brothers, who were the results of a similar attachment between their mutual mother and different fathers. It's about this deaf woman a scientist who dies getting hit by a car while crossing a street after work. As a kid, I played with fire trucks and guns. Divorced Denton Johanson returns to his hometown to help convict the embezzling controller of the family business.
