I'm not going to talk about the bone-deep exhaustion that comes from being onstage all day, or the drowning sensation that follows you home on nights and weekends when you have hundreds of papers to grade. Well, when I started, I was substituting for somebody else who quit a month before the semester began. The core of the course is private conferences about their writing, but the private conferences are not to try to teach them that it must be done this way, but to help them do it their way.
