The highest hopes were aroused by the fact that there was now on the papal throne a reputed liberal, Pius IX. Government must not be arbitrary, but it must be powerful enough to repress arbitrary action in. But this harmony of monarchy, aristocracy, and democracy blended together, which was the ideal of many writers, and which they supposed to be exhibited

by Sparta, by Carthage, and by Rome, was a chimera of philosophers never realised by antiquity.

His opposition to the doctrine of infallibility was ethical and political rather than metaphysical.

He owes nothing to the novelty or the originality of his thoughts. His father married a Dalberg. I might go on for

hours, reciting to you passages on the law of nature and the duties of man, so solemn and religious that though they come from the profane theatre on the Acropolis, and from the Roman Forum, you would deem that you were listening to the hymns of Christian Churches and the discourse of ordained divines.

None denied that many great families had won their purs in the service of their country, on Church and State. Priestley; look into all the French constitutions of government; and, to cap the climax, look into Mr.
