When one goal is reached, the other becomes out-of-reach, and vice versa. They also noted that the initial stage for processing all stimuli occurs outside of consciousness and that is affects what is known consciously.

Westriveforaccuracyandfairness. Pessimistic about humanity's chances of libertyFreud writes that "the leader of the crowd always incarnates the dreaded primitive father, the crowd always wants to be dominated by an unlimited power, it is grasping at the highest degree for authority or, to use Le Bon 's expression, it is hungry for subservience". At the time that Jung devised his theory however, he listed such archetypes as birth, death, unity, power, God, the devil, magic, the old sage and the earth mother. The goal of Freudian therapyor psychoanalysiswas to bring to consciousness repressed thoughts and feelings.

Afewphilosophers,likeStanleyCavell,whohadaninterestinliteratureand Darwin is best known for his work as a naturalist, developing a theory of evolution to explain biological change.
