This is the easiest rule to remember but the hardest rule to follow. An ex, for example, is a catastrophic idea in almost all cases, and ditto for anyone you consider a close friend. April 20, They come to the conclusion that sex should not come with so many emotions. If you are ever going to ask a woman to be your FWB in this exact same way, please be more specific than this guy. If you care about this person enough to have nurtured a platonic relationship with them beforehand, that shouldn't stop just because you started sleeping with each other. She has 80 marriages to her. And for super sure the other person cannot impose any of their own desires on them, or make emotional overtures. Pick someone who won't get too attached.
