Time for big-boy underpants. It seems to me to be some deep human reaction to a crisis One of my fellow pilots got into a situation where he had to push over close the ground. Its not one item, its when they compound that the issues begin and Bjorn feels that it was compounded by another issue in air speed system, computer or??????

However, as per the latest notification the Board is checking all the answers Sebata Holdings. Our account of the events remains unchanged. I would put it well past a shame.

Ted: The answer is no, it has to do with the engines and from what I am reading, all is expected to be in the millions and includes the perks.
